Important information regarding booklist

Classroom full time students:

- If you are enrolling as a full-time student, you will be required to purchase all resources at the start of your studies.

External online and Part-time students:

If you are an online or part-time student **PLEASE DO NOT** purchase all the resource at once. You will only purchase resources for the unit/s you enrol in as student editions continually change.

Please note:

Please **do not purchase** the book second hand. If second hand books are purchased then access to the online solutions for the Chapter Review questions and accounting software programs is not available from the publisher. It is important for students to have access to these online solutions and programs. You will need to create an account with the Publisher when you purchase your resources and it is through this account and email that you assign to it that you will then have access to the materials.
